STUDENTS WELFARE POLICY	Policy No. : PJCEPL05
	Issue No. :02
	Date : 20-09-2021
Frequency/Next Revision	5 years /Academic Year: 2026-2027

Objectives:

Ensuring overall development of the students is the primary responsibility of any educational institute. The policy intends to guide the students to avail the facilities available for their welfare.

Scope:

The students are the most important stake holder of an educational institute. Ponjesly College of Engineering believes on this and keeps in mind for the welfare of the student community.

The college has introduced various schemes for the benefits of the student community and these schemes range from providing fully or partial financial help to support for co-curricular and extra-curricular activities. The college intends to provide facilities for overall growth of every student. The details of the scheme are available in the handbook.

General Guidelines:

- The College establishes a class representative for each class who would represent the students in different bodies of the college.
- The staff motivates the students to organise co curricular and other student activities . This promotes the leadership qualities.
- Class representatives insists the students to participate in various activities for the benefits of students.
- The students are also encouraged to participate in various games and sports. The facilities are available for both boys and girls. The Sports and Games department is responsible for organizing the various events. Practice (Sports and Cultural activities) sessions are held as per the following timing in the college premises:

Summer: 3.30pm to 5.00pm

Winter: 3.30pm to 5.00pm

The students are also encouraged to participate in literary and cultural events. The college has facilities for cultural programmes.

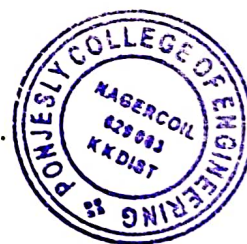

Yoga facility is available for students and staff.

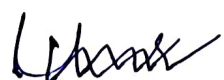

- Schemes Available:
 - Scholarships.
 - Government scholarships for disabled persons / first graduate scholarship.
 - Transport Assistance.
- Medical / Health Counselling Facilities are made available: The college provides medical benefits to the students whenever they need. This facility is usually offered through / in association with nearest healthcare providing institutions. The students who required counselling, are provided with facilities. Waiting hall is also available for the students who need during working hours.
- Career / Higher Studies Counselling facility available: the placement and career guidance cell organises various programmes periodically to prepare the students for placements. The students are prepared to face the interview successfully. The college often invites outside resource persons. The placement cell is in touch with various recruiting agencies including industries. The college aims to have 100 % placement of its students.

The opportunities available for higher studies are made known to students through special lectures. The Library subscribes various magazines and newspapers including Employment News for latest information.

The college is in touch with alumni to build a bridge for employment, training and career growth.

- Accommodation: the limited hostel facilities are also available.
- Catering Services: The catering services are available on payment basis.
- ATM Service: ATM facilities are available for students.
